

## DINNER FOR 8 FAQs

**What is Dinner for 8?** Dinner for 8 is a fun and casual way to get better acquainted with your Voyagers church family over dinner. Individuals and couples simply sign up to attend and/or host a Dinner for 8. Your Dinner for 8 group will meet four times throughout the year, October, January, April and July. We invite you to participate whether you are new or have been coming here for years!

**How do I join a group?** Fill out the online registration form or fill out a form on the church patio on Sunday. The host will contact you to arrange the details for your Dinner for 8.

**How are the Dinner for 8 groups formed?** People will be randomly assigned to a group to get to know others in our Voyagers church family.

**Who cooks the meals?** Potluck style dinners are the easiest way to have everyone in the group involved. The host will contact you with what to bring.

**What are responsibilities of a host?** The host will physically host the group of eight in their home. Hosts contact group members to coordinate the meal plan and the time of the meal. Hosts set the menu for the dinner, but that does not stipulate that the host will prepare the full meal. The host will also facilitate discussion during the evening.

**Are children invited?** Dinners for 8 are for adults to get better acquainted (of course, infants-in-arms are always welcome).
