

Heart Runs

Like deer to the pool I'm coming after you
Like a thirsty animal My heart is for your love

Like Jonah from the deep I'm coming out of my
sleep
To find the secrets that you keep
Is the only thing worth rising for

From the dirt you've drawn me out
And you draw me out again
I'm coming back from the dead
I'm coming out of my skin

And you are everything my heart wants
Everything my heart wants
And my heart runs
My heart runs after you

Like breakers on the shore You're knocking on
my door
Like the deepest places in you
Calling to the fountains of my soul

From the dirt you've drawn me out
And you draw me out again
I'm coming back from the dead
I'm coming out of my skin

And you are everything my heart wants
Everything my heart wants
And my heart runs
My heart runs after you

(So) My heart runs
(So) My heart runs
(So) My heart runs
My heart runs after you

You're the Only One

Though the earth may try, to satisfy my heart
Though the earth may try, to tell me you're not
faithful

Though the earth may try, to blind me from your
goodness
You shine through

You're the only one who
Fills me up
You're the only one who
Fills me up
You're the only one who
Fills me up

You're the only one

You shine through
You shine through
You shine through

Goodness of God

I love You, Lord
For Your mercy never failed me
All my days, I've been held in Your hands
From the moment that I wake up
Until I lay my head
Oh, I will sing of the goodness of God

And all my life You have been faithful
And all my life You have been so, so good
With every breath that I am able
Oh, I will sing of the goodness of God

I love Your voice
You have led me through the fire
And in darkest night You are close like no other
I've known You as a Father
I've known You as a Friend
And I have lived in the goodness of God, yeah!

'Cause Your goodness is running after, it's
running after me
Your goodness is running after, it's running after
me
With my life laid down, I'm surrendered now
I give You everything
'Cause Your goodness is running after, it's
running after me, oh-ohh
'Cause Your goodness is running after, it's
running after me
Your goodness is running after, it's running after
me
With my life laid down, I'm surrendered now
I give You everything
'Cause Your goodness is running after, it keeps
running after me

King of My Heart

Let the King of my heart
Be the mountain where I run
The fountain I drink from
Oh, He is my song
Let the King of my heart
Be the shadow where I hide
The ransom for my life
Oh, He is my song

'Cause You are good, You're good, mm-mm
You are good, You're good, mm-mm

Let the King of my heart
Be the wind inside my sails
The anchor in the waves
Oh, He is my song
Let the King of my heart
Be the fire inside my veins
The echo of my days
Oh, He is my song

You're never gonna let, You're never gonna let
me down
You're never gonna let, You're never gonna let
me down

White As Snow

Have mercy on me, O God
According to Your unfailing love
According to Your great compassion
Blot out my transgressions

Would you create in me a clean heart, O God?
Restore in me the joy of Your salvation

Wash me white as snow
And I will be made whole

The sacrifices of our God
Are a broken and a contrite heart
Against You and You alone
Have I sinned

Run To The Father

I've carried a burden for too long on my own
I wasn't created to bear it alone
I hear Your invitation to let it all go
I see it now, I'm laying it down
And I know that I need You

I run to the Father, I fall into grace
I'm done with the hiding, no reason to wait
My heart needs a surgeon, my soul needs a friend
So I'll run to the Father again and again and again and again
Oh-oh, oh-oh, oh-oh

You saw my condition, had a plan from the start
Your Son for redemption, the price for my heart
And I don't have a context for that kind of love
I don't understand, I can't comprehend
All I know is I need You

My heart has been in Your sights
Long before my first breath
Running into Your arms
Is running to life from death
And I feel this rush deep in my chest
Your mercy is calling out
Just as I am You pull me in
And I know I need You now

Overwhelmed

I am nothing, yet you bid me
Come to you, oh Lord Almighty
And as I come, I'm overwhelmed with you

Humbly now I break the silence
As I'm weeping in your presence
I'm so wretched, overwhelmed with you

And your blood of redemption
Is covering my shame
Your voice that shakes the heavens
Is whispering my name

And as you catch my tears
In your nail scarred hands
I'm overwhelmed
I'm overwhelmed with you
I'm overwhelmed
I'm overwhelmed with you

Came To My Rescue

Falling on my knees in worship
Giving all I am to seek your face
Lord all I am is yours

My whole life
I place in your hands
God of Mercy
Humbled I bow down
In your presence at your throne

I called you answered
And you came to my rescue and I
Wanna be where you are
My whole life
I place in your hands
God of Mercy
Humbled I bow down
In your presence at your throne
I called you answered
And you came to my rescue and I
Wanna be where you are

In my life be lifted high
In our world be lifted high
In our love be lifted high

I called you answered
And you came to my rescue and I
Wanna be where you are

The Rebel

Amazing Grace I've been set free
To praise the One who died for me
The wonder of Your endless mercy is captivating
me

My heart is overfilled by Your unfailing love for
me
Amazing grace is found within my Savior's
suffering
You paid my debt and died to set me free

Amazing Grace I've been set free
To praise the One who died for me
The wonders of Your endless mercy are
captivating me

Your Glory / Nothing But The Blood

My life is Yours
And my hope is in You only
And my heart You hold
'Cause You made this sinner holy
And holy, holy

'Cause Your glory is so beautiful
I fall onto my knees in awe
And the heartbeat of my life
Is to worship in Your light
'Cause Your glory is so beautiful
'Cause Your glory is so beautiful (oh)

Glory glory hallelujah
Jesus You are good
Glory glory hallelujah
Jesus You are good

What can wash away my sin?
Nothing but the blood of Jesus
What can make me whole again?
Nothing but the blood of Jesus
Oh, precious is the flow
That makes me white as snow
No other fount I know
Nothing but the blood of Jesus

Living Water

I'm seeking a place to make me feel safe
Finding the world has nothing to offer
I'm sick of the chase, I'm stuck in the grave
Can't find a way to feel whole again
Dry bones dry soul, I want more, I want more
Dry bones dry soul, I want more, I need more

Whoever is thirsty go to Jesus and drink
Whoever believes will have their soul redeemed
The water that he gives overflows as a river of life
Of true life

Oh, Oh, Oh

I'm wandering lost in lands that are parched
Pulling up water that can't satisfy
I'm too far beyond, I can't carry on
I need a God who can heal my heart

And above all know that I am living water
And above all know that I am living water

I'm at the well, I'm no longer thirsty
I'm done with the chase, I'm out of the grave
I'll tell the world of your saving grace

God That Saves

I hear the song, I hear the song
Of victory ring over me
I hear the song, I hear the song
Of victory ring over me

You are that God that saves
You are the One that rescues me
And You rescue me, ohh-oh
You are the God that saves
And You called me from the grave
You rescue me

Defender

When I thought I lost me
You knew where I left me
You reintroduced me to your love
You picked up all my pieces
Put me back together
You are the defender of my heart
When I thought I lost me
You knew where I left me
You reintroduced me to your love
You picked up all my pieces
Put me back together
You are the defender of my heart

Lord Of All

Cause you are more than a friend, my lover,
calling me in to come closer till all I can see is
your eyes
And intimately you've called me so sweetly, into
your arms you've beckoned me back into your
heart

Lord of all, Lord of all, you are worthy
And everything that I have is yours
Lord of all, Lord of all, you are worthy
I'm laying down at your feet in love

Cause you are more than a friend, my lover,
calling me in to come closer till all I can see is
your eyes
And you are my everything, my shelter, my
covering, in battle you come and shield my heart

So we lift you up with all of our lives, every
tongue will confess
That you're the king of the heavens and earth, so
let all creation bring you praise

Our Father

Our Father in Heaven
Hallowed be Your name
Your Kingdom come quickly
Your will be done the same

On Earth as it is in Heaven
Let Heaven come to
Earth as it is in Heaven
Let Heaven come

Let Heaven come, let Heaven come
Let Heaven come, Let Heaven come

Yours is the Kingdom, Yours is the power
Yours is the glory forever, amen
Yours is the Kingdom, Yours is the power
Yours is the glory forever, amen

So Will I

If the stars were made to worship so will I
If the mountains bow in reverence so will I
If the oceans roar Your greatness so will I
For if everything exists to lift You high so will I
If the wind goes where You send it so will I
If the rocks cry out in silence so will I
If the sum of all our praises still falls shy
Then we'll sing again a hundred billion times

God of salvation
You chased down my heart
Through all of my failure and pride
On a hill You created
The light of the world
Abandoned in darkness to die

And as You speak
A hundred billion failures disappear
Where You lost Your life so I could find it here
If You left the grave behind You so will I
I can see Your heart in everything You've done
Every part designed in a work of art called love
If You gladly chose surrender so will I
I can see Your heart
Eight billion different ways
Every precious one
A child You died to save
If You gave Your life to love them so will I

Like You would again a hundred billion times
But what measure could amount to Your desire
You're the One who never leaves the one behind
